## Progression Plan for 2020 Commencing Students

Terminology	Definition
<b>Program compulsory core &amp; flexible core courses</b>	48UOC of compulsory and flexible core courses which students must complete under this degree.
<b>Commerce Major</b>	A sequence of approved courses (48UOC) in an approved discipline stream offered by the UNSW Business School (See Appendix A.), containing at least 18UOC at level 3. (Note that the 48UOC includes the first disciplinary course(s) in the Core (Compulsory or Flexible). This means that, for the majority of majors, students will complete 42UOC in specified disciplinary courses outside the core, except for the Real Estate Studies major.)
<b>UNSW Business School Elective</b>	6-12UOC in UNSW Business School courses to ensure a student completes a minimum of 96UOC of Business courses within the Bachelor of Commerce. The exact number of courses to complete will depend on the major chosen.
<b>Free Electives <u>OR</u> Second Major <u>OR</u> Minor</b>	Student undertaking certain double majors may not have any free electives. Students who chooses to complete a single Commerce major are free to use the Free Electives to complete courses from any Faculty or to complete a Minor, however they need to be mindful of the program limit on Level 1 courses (60 UOC) when making their selection.  GEN courses cannot count as Free electives.
<b>General Education</b>	Account for 12UOC (2 courses) and are to be taken outside the UNSW Business School. Please note that students enrolled in programs within the UNSW Business School cannot take General Education courses offered by the UNSW Business School (i.e. GENC code). These restrictions also apply to the following courses: GENL2021 An Introduction to the Australian Legal System, GENL2032 Cyberspace Law 2.0.
