

In this dual degree students take 96 UOC for the Bachelor of Engineering Science, and 96 UOC for the Bachelor of Art 192 UOC. When a student meets all the requirements for both degrees in less than 192 UOC (e.g. if mathematics is a minor stream in the BA component), students must complete additional elective courses to bring the total to 192 UOC. Those electives must be taken from the Faculty of Engineering and/or the Faculty of Arts and Social Sciences.

Students who have transferred to 3706 from a single or dual Bachelor of Engineering (Hons) program may count courses here towards the requirements of their major if they are considered equivalent or have been superseded by other courses only possible if the course(s) were listed in the handbook for their Engineering major, and they are completing an Engineering Science major in the same discipline.

Course	UoC	Complete?	Notes
Disciplinary Component - 3706 Engineering Science - 96 UoC			
Level 1 Courses			
<i>Students must take at least 18 UOC from the following courses</i>			
DESN1000	6		
ELEC1111	6		
ENGG1300	6		
MMAN1130	6		
MATH1131 or MATH1141	6		
MATH1231 or MATH1241	6		
PHYS1121 or PHYS1131	6		
COMP1511 or COMP1911 or ENG1811	6		
Level 2 Courses			
<i>Students must take at least 18 UOC from the following courses</i>			
DESN2000	6		
ENGG2400	6		
ENGG2500	6		
MATH2019	6		
MATH2089	6		
MMAN2300	6		
Additional Elective	6		
Additional Elective	6		
Additional Elective	6		
Additional Elective	6		
Additional Elective	6		
UoC Sub Total	96		
Disciplinary Component - 3409 Arts - 96 UoC			
Arts Major	48		
Arts Major	48		
OR			
Arts Major	48		
Arts Minor	36		
Additional Courses/Prescribed Electives	12		
UoC Sub Total	96		
Total Program UOC	192
