GraphPad Prism v8

GraphPad Prism Installation

1. To download GraphPad Prism 8 installer and to access serial keys, visit the below URL:

   https://www.myit.unsw.edu.au/software-students

   https://www.myit.unsw.edu.au/services/staff/software-staff

2. Save the installer file to your desired location, you will need to run this installer once its downloaded. (Note that file name is called 'InstallPrism8.dmg').

3. Open the downloaded file and drag and drop 'Prism 8.app' file in 'Application' folder.
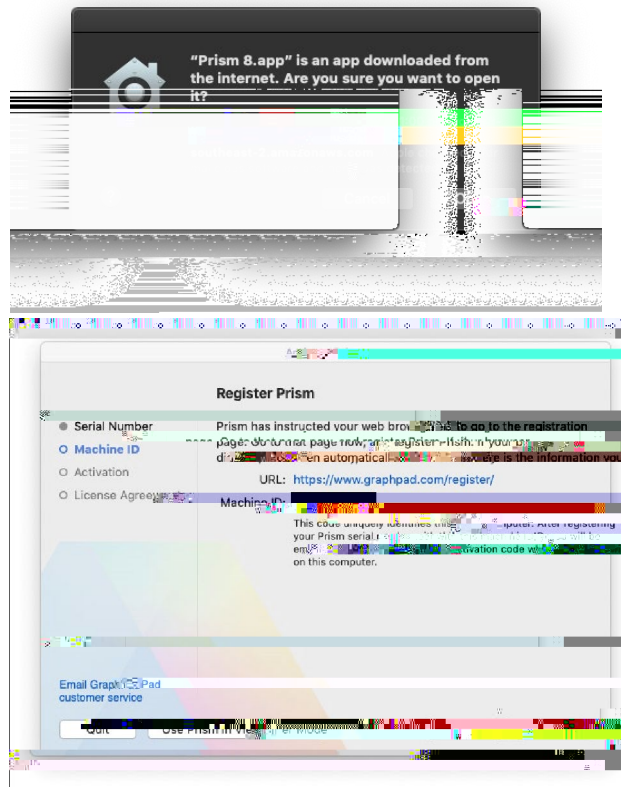

Licensing GraphPad Prism:

After finishing the Prism installation, open GraphPad Prism to start product registration by opening the 'Prism 8.app' in the 'Applications' folder. The Serial number is available on IT website. This would take to the GraphPad Prism Product Registration page online. Registering the product will send out an email to the registered email address with activation code for the activation.
